Name:		

Video Outline	Unit#	: Topic:	
---------------	-------	----------	--

<u>Directions</u>: For each video, you will need to have a calculator, reference tables, the printed PowerPoint lesson, and this worksheet to create your own study sheet. This will be collected periodically and at the end of the unit with the unit homework packet.

Video Number & Title	Vocabulary	Things to Memorize	Formulas	Questions for the Teacher

	M^{127}	S 16		$C_{\mathbf{a}}^{20}$	P 15
1	Hitheil	Sulphur	•	Calcium	Phosphorus

Video Number & Title	Vocabulary	Things to Memorize	Formulas	Questions for the Teacher

End of Unit Reflections:

- 1. Which video(s) and/or topic(s) do you need the most help with?
- 2. What ways do you plan on studying the topics you picked above?
